

MAKING TRADITION SWEETER

❖ 2025 ❖

OUR EVERYDAY PROMISE: FRESHER. TASTIER. HAPPIER.

At India Sweet House, we believe in three simple promises

Fresher, Every Day

All our sweets are made fresh daily and delivered within
24 hours – never stored, never stale.

Tastier, the Authentic Way

We use traditional recipes with no artificial additives, preservatives,
or silver foil. Just real, honest sweets.

Happier, from Source to Store

Our sweets begin with pure milk from happy, antibiotic-free cows
raised on our own farm. Our stores are clean and welcoming, run by a
team that's treated with dignity and pride.

Because you're not just a customer — you're family.

We're here to make your moments fresher, tastier, and happier – every single day
